UNITED NATIONS REFORM: MEASURES AND PROPOSALS

Draft decision submitted by the President of the General Assembly

The General Assembly, having considered the notes by the Secretary-General on time limits of new initiatives (documents A/52/851 and Add.1) and taking into account the definitions and elaborations contained therein, decides to adopt the proposal of applying specific time limits to new mandates creating organizational structures and/or requiring major commitments of funds and requests the Fifth Committee to recommend modalities for its implementation before the end of the fifty-third session of the General Assembly.
